## Day of Service

## 12 Sectors

Roy CTC members and youth were thrilled to partner with Roy City for the annual Roy Day of Service, a fantastic way to wrap up the summer by giving back to our community. Over 400 volunteers came together to participate in various service projects, including cleanup, painting, tree planting, & ensuring our playgrounds are safe for all children. Participants were rewarded with free passes to the Roy Aquatic

Center, with 267 passes redeemed, allowing families to enjoy quality time together in Roy. A heartfelt thank you to Roy City for organizing this wonderful event & for their ongoing dedication to the community. Thank you for supporting the Roy Communities that Care

coalition's vision of a healthy community that supports families, promotes inclusivity, & empowers & nurtures youth development. Find us in the community for a chance to get your hands on the collaborative swag!

Roy CTC is on the search to fulfill our 12 sectors! The 12 sectors include the following:

## BOLO! for the Roy Community Survey!

NOT ANOTHER SURVEY – Yes WE WANT TO HEAR FROM YOU! We understand that surveys can sometimes elicit a collective groan, but assessments like these play a crucial role in helping us understand the needs & desires of our community and how we can all play a collaborative role in preventing youth substance use. In 2023, over 700 community members took the survey helping us gather the data we needed to provide evidence based programs & events in our community. Not too Shabby, right?

Our community survey will be open starting November 1<sup>st</sup>. more information to come. Thank you, Roy community, for your continued support in our prevention efforts. We look forward to hearing from you!
